

Declaration of consent for the use of photographs and video recordings

Event: *Swiss NanoConvention 2020*

The participant hereby permits the SNI to use photographs and video recordings of the event stated above:

- For the SNI website: www.nanoscience.ch
- For the Swiss NanoConvention website: swissnanoconvention.ch
- For the annual report, the *SNI INSight* magazine and brochures about SNI activities
- To advertise similar events and report on the above-stated event on SNI social media channels (Twitter, LinkedIn, YouTube, Instagram)

We use various print and electronic media to provide information about SNI activities and research.

Processing and storage:

- Data is stored on the local computers of communication officers and on SNI servers. It can be accessed by the SNI management team and relevant members of the University of Basel's IT services. Data will only be transferred to third parties following consultation.
- Images and footage are preselected and may be edited by the SNI. Images/clips that cannot be used for technical reasons are deleted immediately. (Usable) images/clips that are not published are saved for 5 years for potential later use. The person photographed will be consulted in the event of later use.

Rights of photographed/filmed persons:

- The person photographed/filmed may request information about the stored data at any time.
- If consent is withdrawn, the SNI will delete the stored photographs. Consent may only be withdrawn with future effect; it does not apply to photographs/videos already published.
- Photographs/videos published online will be altered and/or removed from the website at any time if requested by the person photographed/filmed. The University of Basel cannot prevent the use of photographs/videos on other websites, nor can it ensure that photographs are deleted from other websites.

Declaration:

The participant consents to the use of photographic/film material featuring their image for the purposes described above. The SNI is not permitted to use photographs/video recordings for purposes other than those stated. Consent is voluntary. No disadvantages will result if consent is withheld.
